

Pants On the Ground

General Larry Platt

Pants on the Ground
Pants on the Ground Lookin' like a fool
With your pants on the Ground
With the gold in your mouth
Hat turned sideways
Pants hit the ground Call yourself a cool cat
With your pants on the ground Walkin' downtown with your pants on the ground!
Giddy-up Hey! Get your pants off the ground!
Lookin like a fool!
Walkin' talkin' with your pants on the ground! Hey! Get your pants off the ground!
Lookin' like a fool
With your pants on the Ground
With the gold in your mouth
Hat turned sideways
Call yourself a cool cat (repeats)
