

# Hold That Train

[B.B. King](#)

Hold that train, conductor  
Please don't let that engineer start  
Hold that train, conductor  
Please don't let that engineer start Well, I wanna ride your train this morning  
Just to ease my achin' heart Yes, for the last few mornings lately  
Before I get out of my bed  
Yes, for the last few mornings lately  
Before I get out of my bed Well, I hear your whistle moanin'  
And it almost drives me out of my head I'll pay my fare when we starts rollin'  
All your money's right here in my pants  
I'll pay my fare when we starts rollin'  
All your money's right here in my pants Well, I know I should back and buy a ticket  
Yes but I'm afraid to take the chance Oh, don't stop this train, conductor  
Till this old state is out of sight  
Yes, don't stop this train, conductor  
Till Mississippi is out of sight Well, you know I'm going to California  
Where I, I know my baby will treat me right
