What Can I Do

INOJ

What can I do to make you stay
I really don't want you to go away
Take a little time & see I've changed..
I really love youWhat can I do to make you stay
I really don't want you to go away (oHh..)
Take a little time & see I've changed..
I really love youThere was just a day..
I was trippen babe
Playing silly games..
Doin stupid things
I didn't know it then..
And you had a friend
Tell me baybee how can we begin again..?What can I do to make you stay
I really don't want you to go away
Take a little time & see I've changed..
I really love youWhat can I do to make you stay
I really don't want you to go away (oHh..)
Take a little time & see I've changed..
I really love youWithout you in my life..
All I do is cry
..Gotta feelin in my heart
it just won't die..
I really want you..
What am I to do..?
I really really wanna be down with you
I was a fool..
But this is true..
But Let me prove my love to you (..OhH..)What can I do to make you stay
I really don't want you to go away
Take a little time & see I've changed..
I really love youWhat can I do to make you stay
I really don't want you to go away (oHh..)
Take a little time & see I've changed..
I really love youWhat can I do? (baybee what can I do..?)
What can i say? (baybee what can i say..?)
To make you wanna stay.. (stay..)
Do you need some time..? (do you need some time..)
To make up your mind..? (please make up your mind..)
I'm begging you to change your time.. (oHh..)What can I do to make you stay

I really don't want you to go away
Take a little time & see I've changed..
I really love youWhat can I do to make you stay
I really don't want you to go away (oHh..)
Take a little time & see I've changed..
I really love you
