All Roads to the River

Janis Ian

I am master and slave
I am sunlight and shadow
I am all roads to the river
I am lost, I am saved
I am beloved and betrayed
All roads to the river
And the river runs wide
The river runs deep
I spit in the eye of safe company
When I dive right down
To the undertow
The deeper I drown,
The higher I go
I am whispering dreams
I am howling revolutions
All roads to the river
I am valentine sweet
I am every mother's nightmare
I am all roads to the river
The river runs wide
The river runs deep
I spit in the eye of safe company
When I dive right down
To the undertow
The deeper I drown,
The higher I go
I dream of still waters
Silent and clear
But I run for the thunder
That'll drown my fear
The river runs wide
The river runs deep
I spit in the eye of safe company
When I dive right down
To the undertow
The deeper I drown,
