

# More Than I Love Myself

Sean Nicholas Savage

Back when you were so cruel  
And I was a fool  
Like a grave growing daisies  
You were so sweet and crazy  
Back when I was so ugly  
That you couldn't love me  
And the loneliness nearly killed you  
How can I live with myself  
When I need you more?  
I need your body  
More than I need my own  
I need to live with you  
More than I need a home  
And if it's over, it's true  
That I always loved you  
More than I love myself  
So it's breaking my heart  
When I miss the old you  
It's breaking my heart  
'Cause I miss it, too  
It's breaking my heart  
When I miss the old you  
More than I love myself  
I saw you grinding your teeth  
And I felt it, too  
In the dreams that I'm flying  
There's a reason I do  
How can I be a man  
Now that you're alone there?  
What a painful routine we live in  
How do you care for yourself  
When I need you more?  
I need your love  
More than I need myself  
I need your tenderness  
More than I need to rest  
And if it's over it's true  
That I always love you  
More than I love myself  
More than I love myself  
More than I love myself
