

Tell It to My Heart (Tony de Vit club mix)

Taylor Dayne

I feel the night explode when we're together
Emotion overload in the heat of pleasure
Take me I'm yours into your arms
Never let me go
Tonight I really need to know Tell it to my heart
Tell me I'm the only one
Is this really love or just a game?
Tell it to my heart
I can feel my body rock every time you call my name The passion's so complete. It's never ending
As long as I receive, the message you're sending
Body to body, soul to soul
Always feel you near
So say the words I long to hear Tell it to my heart
Tell me I'm the only one
Is this really love or just a game?
Tell it to my heart
I can feel my body rock every time you call my name Love, love on the run, breaking us down
Though we keep holding one
I don't want to lose, no I can't let you go Tell it to my heart
Tell me I'm the only one
Is this really love or just a game?
Tell it to my heart
I can feel my body rock every time you call my name Tell it to my heart, tell me from the start, tell it to my heart
Tell it to my heart, tell me from the start, tell it to my heart
Never make it stop
Oh, take it to the heart Tell it to my heart
