

# My Place

Nelly

I used to pride myself on being the other man  
But now it's flipped and I don't want you with no other man  
Why can't you understand anything I'm offering  
I gave you the world, but you just wanted arguing  
From the time I picked you up, until the time I dropped you off again  
Even if flipped out on me at the mall again  
"It's all his fault again" that's what you telling all ya friends  
I ain't pointing no fingers ma, I just want to call again  
See how ya day going, I know they stressing on ya I know them times  
Get hard that's why I'm checking on ya  
It's yours truly ma, I got little message for ya anything he can do,  
Girl I can do better for ya CauseCause When we laugh or we cry it's together  
Through the rain and the stormiest weather  
We goin' still be as one it's forever, it's foreverWon't you come on and go with me (oh girl) Come on over to  
my place  
Won't you sit ya self down and take a seat and let me ease ya mind girl  
We gon' do it our way (our way)I heard your friend tell a friend that told a friend of mine  
That you was thinking that we should do it one more time  
This ain't the truth then hopefully it's not a lie  
Cause I ain't got no issue with hitting that another time  
We never had a problem with getting it done  
Disagreed upon a lot ma, but the sex wouldn't one  
Now check it I know you get excited when I come around and bite it  
Quit frowning up and quit acting like you don't like it  
I like it (I know you like), I like it (You really like it),  
I really, really like it, I want it (You really want it), adore it (adore it)  
So come let me enjoy it  
So come let me enjoy itCause When we laugh or we cry it's together  
Through the rain and the stormiest weather  
We goin' still be as one it's forever, it's foreverWon't you come on and go with me (oh girl) Come on over to  
my place  
Won't you sit ya self down and take a seat and let me ease ya mind girl  
We gon do it our way (our way)Shawty where you been  
Feels like a long time, long long time since I seen ya  
Yes it has girl,  
And I know I said some dumb things to you before  
But girl you know I didn't mean it  
I didn't mean one single word I never meant one single word  
(I didn't mean one single word, I didn't mean one single word)

If I could take back every word I would and  
more for sure If I thought that you believe it  
Cause you make my life so convenient for meCause When we laugh or we cry it's together  
Through the rain and the stormiest weather  
We goin' still be as one it's forever, it's foreverWon't you come on and go with me (oh girl) Come on over to  
my place  
Won't you sit ya self down and take a seat and let me ease ya mind girl  
We gon do it our way (our way)I like it (I know you like), I like it (You really like it)  
I really, really like it,  
I want it (You really want it), adore it (adore it)  
so come let me enjoy itI like it (I know you like), I like it (You really like it)  
I really, really like it,  
I want it (You really want it), adore it (adore it)  
so come let me enjoy itCause When we laugh or we cry it's together  
Through the rain and the stormiest weather  
We goin' still be as one it's forever, it's forever
