Sleepy Little Town

Jt Hodges

Cops showed up at eleven osix
With the FBI and their black crown vicks
They cuffed Coach Martin with his face in the ground
Neighbors say he got off a couple a rounds
Hundred thousand dollars in an old suitcase
He had a green house in his crawl spaceWhen the lights come on in a sleepy little town
There ain't no secrets when the truth comes out
And everybody knows cause the word gets around
When the lights come on in a sleepy little townStereotypical preachers wife
Everybody loved her she was so nice
Never told a soul about the things he did
Till she took a bottle to the back of his head
They say she simply told 911
"Now he deserved what I just done"When the lights come on in a sleepy little town
There ain't no secrets when the truth comes out
And everybody knows cause the word gets around
When the lights come on in a sleepy little town
Woah ooh oh oh oh
Woah ooh oh oh oh
Woah ooh oh oh oh
Sleepy little townNow everybodys proud of Mary Lou
She got a full ride to a private school
Gonna be a doctor or a lawyer someday
She's 17 and three months late
We all thought that she'd never been kissed but
She doesn't know who the daddy isWhen the lights come on in a sleepy little town
There ain't no secrets when the truth comes out
And everybody knows cause the word gets around
When the lights come on in a sleepy little town
Woah ooh oh oh oh
Woah ooh oh oh oh
Woah ooh oh oh oh
Sleepy little town
Woah ooh oh oh oh
Woah ooh oh oh oh
Woah ooh oh oh oh
Sleepy little town
Woah ooh oh oh oh
Woah ooh oh oh oh

Sleepy little town
