thomas

Spearmint

Humbled and helpless
Learning to pray
Praying for visions
To show me the wayShow me the way to forgive you
Allow me to let it go
Allow me to be forgiven
Show me the way to let goShow me the way to forgive you
Allow me to let it go
Allow me to be forgiven
Show me the way to let goIlluminate me
Illuminate me
Illuminate meI'm just praying for you
To show me, where I'm to beginHoping to reconnect to you
Hoping to reconnect to you
Hoping to reconnect to you
...
