Live Twice

Darius

Don't leave now, not yet
There were time, we regret
And I'm sorry, somehow I only
Wanted to make you proud

If I could only let you know
I'd give up everything I own
For just one more day with you
There's nothing I wouldn't do

I could not let it pass me by
I make every sacrifice
To bring me back your love
If only we could live twice
If only we could live twice

When you told me, I froze
It still echoes in my soul
Please forgive me if I didn't say
I love you every single day, ohh

If I could only let you know
I'd give up everything I own
For just one more day with you
There's nothing I wouldn't do

I could not let it pass me by
I make every sacrifice
To bring me back your love
If only we could live twice
If only we could live twice

Nobody told me we'd only get one chance
I didn't know that our time would turn so fast
Why we have to say goodbye, I don't understand

If I could only let you know
I'd give up everything I own
For just one more day with you

There's nothing I wouldn't do

I could not let it pass me by
I make every sacrifice
To bring me back your love
If only we could live twice

I could not let it pass me by
Nothing I give to sacrifice
To bring me back your love
If only we could live twice
If only we could live twice

We'll meet in another life
If only we could live twice
