(Bow Wow)

I b pimpin

I dont be slippin

When it come down to these hoes

and I don't luv em

We dont cuff em

Man thats just the way it goes

I pull up in the Phantom

All the ladies think I'm handsome

Jewelry shining, I stay stuntin

Thats why these niggas cant stand em

Ima chick mag-a-net

And anything fine im bag-gin it

And if she got a man, I dont care

10 toes and I'm on that weave, cause I gotta have it

Now-Now who do it like B-O-dub

Girls on me when I walk in the club

Game aint tight, Ima take yo chick

Thats hitman now your girl in love

When a rich nigga, fly young dude

Ride wit me lil mama cant lose  
Dont get mad at me homie cause yo girl friend choose

And wonder why all these playas tryna holla at her  
Just soon as she go to the bathroom nigga Imma holla at her
