Karmacoma

Massive Attack

You're sure you want to be with me, I've nothing to give
Wont lie and say this lovin's best
Don't leave us in emotional peace
Take a walk, taste the rest, no take a restI see you digging a hole in your neighborhood youre crazy but youre lazy
No need to live in a lean-to your troubles must be seen to seen to
Money like it's paper with faces I remember, I drink on a daily basis
Though it seldom cools my temper it never cools my temperWalking through the suburbs though not exactly lovers
Youre a couple, especially when your bodys doubled
Duplicate and then you wait for the next KuwaitKarmacoma, Jamaica aroma

I take a walk, take a rest, a taste the restDon't want to be on top of your list, monopoly and properly kissed
We overcome in sixty seconds with the strength we have to together
But for now, emotional ties they stay severed
When theres trust therell be treats and when we funk we'll hear beatsKarmacoma, Jamaica aroma
