

# Fire on the Bayou

## The Meters

Fire on the bayou  
Fire on the bayou  
Fire on the bayou  
Fire on the bayouDown in New Orleans, in Lucky's din  
He wouldn't deal y'all for a 5th of gin  
One dude wanted a bottle of wine  
Hit that dude yes he did up for a dollar and a dimeFire on the bayou  
Fire on the bayou  
Take a little toke on your smoke  
Buy yourself a bottle of wine  
Cool, cool wine going down your throat  
Don't try and tell me don't make you feel fineFire on the bayou  
Fire on the bayouI got a nickel now, you got a dime  
Let's get together and have a good time  
Goin' to buy a fifth, going to buy a joint  
when you gettin' down now, you doin' things right"  
"I got swamp water runnin' through my veins  
The Mississippi River can't be tamed  
I pole my pirogue in the middle of the night  
I'm an uptown ruler, I can do it right"
