dreams

The Notorious B.I.G.

As I sit back relax
Steam a blunt, sip a Becks
Think about the sexy singers that I want to sex
I'd probably go to jail
For fuckin' Patti Labelle
Ooh Regina Belle, she'd probably do me swell
Jasmine Guy was fly
Mariah Carey's kinda scary
Wait a minute, what about my honey Mary?
The jeans they fittin' like a glove
I had a crush on you since Real Love
Hold your horses
I'mma show ya who the boss of intercourse is
Sex, I'm takin' no losses
Even groups like SWV and TLC
Can't see B.I.G. wit telepathy
The recipe of picture hardcore wit a gun
Pimpin' ain't easy but it Sure is fun
When I bust my nuts
I bust 'em one by one
So what's the 4-1-1 hun?
Dreams of fuckin' an R&B bitch
but I'm sayin'
Dreams of fuckin' an R&B bitch
I'm sayin'
Dreams of fuckin an R&B bitch
I'm just playin'
but I'm sayin'
Dreams of fuckin' an R&B bitch
I'm just playin'
I'm sayin'
I'll put Chante Moore pussy in stitches
I'll fuck Rupaul..
Before I fuck them ugly ass X-scape bitches
You can 76 the 69... try 68
Did Raven Simone call date rape?
Only 'cause I'm paid
I'm fuckin' all of Jade
And my DJ Zhane she likes it when they say

Everybody... move your body
Got Whitney Houson boostin' from Bobby
As I bust your cherry yo face lookin' scarry
Backshots to Chaka... I know that pussy hairy
Sade... ooh I know that pussy tight
Smacked Tina Turner give her flashbacks of Ike
Smoke a stone
fuckin em bone
I'm doin all of them
Jimmy hats for Patra
I'm usin' all of them
(What about Toni Braxton?)
If that bitch give me action...
Guaranteed satisfaction
Dreams of fuckin' an R&B bitch
I'm just playin'
but I'm sayin'
Dreams of fuckin' an R&B bitch
I'm just playin'
I'm sayin'
Dreams of fuckin an R&B bitch
I'm just playin'
but I'm sayin'
Dreams of fuckin' an R&B bitch
I'm just playin'
but I'm sayin'
