

The Last Day I Was Happy

Scarling

Advisory - the following lyrics contain explicit language:

I'm in a perfume heaven
With a cement sky
I wanna rip her head off
And I don't know why
I wanna think of nothing
Think I'll drink the sea
I wanna feel him crawl all over me I wanna drive to Vegas in your Nazi car
I wanna be in your head while you're at a bar
I wanna hang your windows when you've gone to the sea
I wanna feel him crawl all over me. I just wanna lie... I just wanna lie here
Just wanna lie here
Just wanna lie here next to you
I just wanna lie here
Just let me die here
Just let me die I just wanna lie I just wanna lie here
Just wanna lie here
Just let me die here next to you
I just wanna lie here
Just wanna lie here
Just wanna lie I wanna do you favors
Want to span time
I wanna feel your heart race in mine
I wanna rip you open while you're laughing at me
It'd be the last day I was happy Lie..... I just wanna....
Lie..... I just wanna....
