

Who's Gonna Love You More

Michael Lynche

[Verse 1]

Girl, let me set the record straight
Cause you need to know before it's too late
That there ain't another man who could do the things I do for you
You know it's true.
And you never felt the way you feel when I'm making love to you.
That's why I can say

[Chorus]

If it ain't me, who's gonna love you more? Nobody.
If it ain't me, who's gonna love you more?
More, more...who's gonna love you?
Nobody but me babe, it's always been me babe.
If it ain't me, who's gonna love you more?

[Verse 2]

Oh, why even say those stupid things
You know what I'm talking about.
I don't think I could live without you babe.
Oh, when you know you are the only one who makes my whole world go 'round.
And there's not another man who knows how to turn your body out.

[Chorus]

If it ain't me, who's gonna love you more? Tell me baby.
If it ain't me, who's gonna love you more?
More, more...who's gonna love you? I'm gonna love you
Me babe, it's always been me babe.
If it ain't me, who's gonna love you more?

[Verse 3]

You can't find this kind of love on Facebook,
You can tweet all you like but girl look...
I'm right here (I'm right here), I won't disappear (won't disappear)
And girl I know that you know...

[Chorus]

If it ain't me, who's gonna love you more?
If it ain't me, who's gonna love you more? Who?
More, more...who's gonna love you? I'm gonna love you
Me babe, it's always been me babe.

If it ain't me, who's gonna love you more? Tell me baby
