

# Overdrive

## Ola

I wanna seize the day  
Like it's the greatest thing that ever happened  
I'm gonna shift my gears  
And leave before I'm caught up in the traffic  
Don't wanna hit the wall like a lumberjack  
Gonna crank it up like a maniac  
'Cause I, I like it and I'll do it again You can ride shotgun  
But only if you bring along some jingle  
And if you don't come, fine  
'Cause I've been thinking better since I'm single I took one step forward and two steps back  
And was this close to a heart attack  
And I, no I don't wanna do it again I'm into  
O-o-o-o-o-o-o-o overdrive  
Yes, super  
O-o-o-o-o-o-o-o overdrive  
Life's a hell of a ride when the rules don't apply  
I'm into  
O-o-o-o-o-o-o-o overdrive  
I'll answer to only me, myself, and I  
Think I just let it slide in  
O-o-o-o-o-o-o-o overdrive I see the birds fly high and they wishes but they got nothing on me  
I take the paycheck back yeah they can rep  
But they will never own me I took one step forward and two steps back  
And was this close to a heart attack  
And I, no I don't wanna do it again I'm into  
O-o-o-o-o-o-o-o overdrive  
Yes, super  
O-o-o-o-o-o-o-o overdrive  
Life's a hell of a ride when the rules don't apply  
I'm into  
O-o-o-o-o-o-o-o overdrive I listen to only me, myself, and I  
Think I just let it slide and  
O-o-o-o-o-o-o-o overdrive Trippin' all over the world  
Spinnin' the big dip around  
Every night, and every day  
I follow the lights on the road  
I'll find me a map on the way  
Figure it out, I'll figure it out O-o-o-o-o-o-o-o overdrive  
Yes, super

O-o-o-o-o-o-o-o overdrive  
Life's a hell of a ride when the rules don't apply  
I'm into  
O-o-o-o-o-o-o-o overdrive I listen to only me, myself, and I  
Think I just let it slide in  
Trippin' all over the world  
Spinnin' the big dip around  
Every night, and every day  
I follow the lights on the road  
I'll find me a map on the way Think I just let it slide and  
O-o-o-o-o-o-o-o overdrive
