

See You Around

A Skylit Drive

What if you could go back?

What if you could go back?

Erase me

I'm a figment of imagination I know you can hear me

I know you can see me breathing That place where I knew that I could find you

I think I'll make a run for it

And if I don't find you there

I'll search forever I don't see you upside down

I'm outside of my body

Oh my, why are you inside out? That place where I knew that I could find you

I think I'll make a run for it

And if I don't find you there

I'll search forever And if I don't see you there

I'll see you around
