Let it go ohAll my ladies put your hands up
Isipilsegi sonyeo hands up
All my ladies put your hands up
Now screamEverybody wanna love you
Everybody gonna love you
Dareun geon geokjeonghajima
Everybody wanna love you bae
Everybody gonna love you bae
[JM/JK] neon sarang bada mattanghaeAll my ladies put your hands up
Isipilsegi sonyeo hands up
All my ladies put your hands up
Now screamAll my ladies put your hands up
Isipilsegi sonyeo hands up
All my ladies put your hands up
Now screamEnglish (Translated)You worth it you perfect
Deserve it just work it
You look elegant, elegant
Also you're pretty, pretty
You shine, shine You're the truth and the reasonIf anyone keeps insulting you, insulting you
Tell em you're my lady
Go tell them, tell them
Whatever other people say
Whatever this world tells you
You're the best to me just the way you areDon't ever be scared
Whatever people say, you're okay Alright
You are strong
You say yes or no yes or noTo the 20th century girls
Live your life
Live your life come on baby
To the 21st century girls
You don't mind
You don't mind that new ladyTell them that you're strong

Tell them you're enough
Let you go let you go let you go
Let it go ohAll my ladies put your hands up
21st century girl
Hands up
All my ladies put your hands up
Now screamYou pass by, the guys say
Oh yeah what is she, who is she
They go out of their mind, the girls say
Oh what is he, who is heOh bae don't lower yourself
Okay don't set yourself to them
You're mine
You're beautiful enough
Don't worry don't worry
Baby you're beautiful
You You YouTo the 20th century girls
Live your life
Live your life come on baby
To the 21st century girls
You don't mind
You don't mind that new ladyTell them you're strong
Tell them you're enough
Let you go let you go let you go
Let it go ohAll my ladies put your hands up
21st century girl
Hands up
All my ladies put your hands up
Now screamEverybody wanna love you
Everybody gonna love you
Don't worry about anything elseEverybody wanna love you bae
Everybody gonna love you bae
You deserve to be lovedAll my ladies put your hands up
21st century girl
Hands up
All my ladies put your hands up
Now screamAll my ladies put your hands up
21st century girl
Hands up
All my ladies put your hands up
Now scream
