For Your Eyes Only

Louise

Turn the TV off
Let's unplug the phone
Pretend that there is no, one home
Turn the lights down low
I'll draw the blinds
I think it's time to stop the show
Baby relax, lay back on the bed
You don't have to move, I'll do the restThis is for your eyes only
This is for your eyes only, yeah
I'm takin' off my clothes
Baby I'm in control
This is for your eyes aloneTake it nice and slow
Hold back the flow
I want you to last all night
You have to go on, you got to be strong
Boy I want to do you right
Look but don't touch
I want you to plead
Don't close your eyes, I want you to seeThis is for your eyes only
This is for your eyes only, yeah
There's a mirror on the wall
Baby let's do it all
This is for your eyes aloneOh it feels so good
Just like I knew, it would
Keep it going on strong
And we'll go on and on and onOh yeah, oh yeah
Oh yeah, oh yeahBaby relax, lay back on the bed
You don't have to move I'll do the restThis is for your eyes only
This is for your eyes only, yeah
I'm takin' off my clothes
Baby I'm in control
This is for your eyes aloneFor your eyes only
For your eyes only
For your eyes only
For your eyes only
For your eyes only
For your eyes only
For your eyes only
