

Sleepy Storm (Featuring Jette von Roth)

Schiller

On the way with bow and arrow
Try to find this thing to shoot
Be on the hunt with bow and arrow
It's a very different trip
Dangerous but necessary
Yes i know
The ice is too thin to walk on
Yes i know
The path too narrow to walk on
Sleepy storm
Where is your beating heart today
Hey sleepy storm
Would i choose to walk or stay
Sleepy storm
Where is your beating heart today
Hey sleepy storm
Would i choose to walk or stay
On my way with bow and arrow
To be on the safe side
Until i lost sight of the land
Far into the night
Be on the hunt with bow and arrow
With bow and arrow
Shall i find your hiding place
Yes i know
The ice is too thin I walk on
Yes i know
The path too narrow I walk on
