Everybody

Stabilo

Doesn't anybody know how to walk anymore?
Doesn't anybody know what a radio is for ?
Doesn't anybody wear their hair down low ?
Doesn't anybody know? doesn't anybody know?Doesn't anybody hate it when the street light.. turns red?
Doesn't anybody want five more minutes in bed ?
Doesn't anybody, doesn't
Doesn't anybody wish they had just one more friend ?'Cause everybody wants, and everybody needs
Everybody asks for one more piece
Everybody wants to hear someone say please
'Cause everybody takes, and everybody steals
Everybody cries when something feels
Everybody's looking for the drug that healsDoesn't anybody wanna take another shot at me ?
Go ahead the gun is loaded and the bullets are for free
Doesn't anybody spray perfume to cover up a smell ?
Doesn't anybody know where I go to get some help?'Cause everybody wants, and everybody needs,
Everybody begs for self esteem
Why don't you get your mind out of the past
And everybody takes and everybody steals,
Everybody's been kicked by other heelsPlease raise your hands up in the airOh in the air in the air why don't you raise your hands up in the air
Why don't you raise your raise your raise your hands up in the air
Why don't raise your hands up in the air'Cause everybody wantsDoesn't anybody know how to walk anymore?
Doesn't anybody know what a radio is for ?
Doesn't anybody wear their hair down low ?
Doesn't anybody know? doesn't'Cause everybody wants
