What's Forever For

Johnny Mathis

I've been looking at people
And how they change with the times
And lately all I've been seeing are people
Throwing love away and losing their minds
Or maybe it's me that's gone crazy
'Cause I can't understand why
All these people keep hurting each other
When good love is so hard to come by
So what's the glory in living
Doesn't anybody ever stay together anymore
And if love never lasts forever
Tell me what's forever for
I've been listening to people
And they say love is the key
It's not my way to let them lead me astray
It's only that I want to believe
But I see love-hungry people
Trying their best to survive
While in their hands is a dying romance
And they're not even trying to keep it alive
So what's the glory in living
Doesn't anybody ever stay together anymore
And if love never lasts forever
Tell me what's forever for
And if love never lasts forever
Tell me what's forever for
