Angel's Delight

Danny Kirwan

Written by danny kirwan.Oh mother nature is singing a song with the birds
Beautiful rhyme when the sun's up on time
From the hills
When the light of the day shines silent and still
There's nothing that stirs but the animal's word
Until...We awake with the sounds of life that surrounds us
Love for tomorrow won't do for today
Salient bell across rivers that flow
Rings in the night
For the angel's delight
Angel's delightOh mother nature is singing a song with the birds
Beautiful rhyme when the sun's up on time
From the hills
When the light of the day shines silent and still
There's nothing that stirs but the animal's word
Until...We awake with the sounds of life that surrounds us
Love for tomorrow won't do for today
Salient bell across rivers that flow
Rings in the night
For the angel's delight
Angel's delight
Angel's delight
Ooh... ooh...
Ooh... ooh...
