

Kiss Me Crazy

Kaci Brown

Kiss me, oh yeahBaby, I can't take myself away from you, you
It's absolutely, positively what you do, do
So drive me outta my mind
Before you lead me, one kiss at a timeCome on, baby, kiss me crazy
Tell me that you miss me, baby
You know what I've got
Give me what I wantKiss me crazy, come on, baby
Only your two lips can save me
You know what I've got
Give me what I want
(I want you)My heart is so impatient when I'm here alone, oh
I need more of you so, baby, hurry home, hurry home
I can't wait for your touch
It moves me, shakes me, gives me such a rushCome on, baby, kiss me crazy
Tell me that you miss me, baby
You know what I've got
Give me what I wantKiss me crazy, come on, baby
Only your two lips can save me
You know what I've got
Give me what I wantBaby, baby, kiss me crazy
Baby, baby, kiss me crazy
Baby, baby, kiss meYou know you drive me outta my mind
So do it to me, one kiss at a time
Come on, come onCome on, baby, kiss me crazy
Tell me that you miss me, baby
You know what I've got
Give me what I wantKiss me crazy, come on, baby
Only your two lips can save me
You know what I've got
Give me what I wantCome on, baby, kiss me crazy
Tell me that you miss me, baby
You know what I've got
Give me what I wantKiss me crazy, come on, baby
Only your two lips can save me
You know what I've got
Give me what I wantCome on, baby, kiss me crazy
Come on, baby, kiss me crazy
Come on, baby, kiss me crazyCrazy
