

Suspended From Class

Camera Obscura

You're such a beautiful writer
That's not all you are
I'm sorry about making a pass
It was subtle but I think that you guess
The meaning intended I can be a friend to you
I won't pretend
I'm not interested in breaking your heart
It's not love no it's nothing like that
I'll leave that to .. like him
Oh, he's such a delicate thing
Now it's such a fragile thing that we have I should be suspended from class
I don't know my elbow from my arse
I should be suspended from class We could go out dancing
But, in truth it is the last thing that I have on my mind
Just say if I'm way out of line
I won't need telling twice Now he wants to kiss
He says he can't resist
You're going to have to keep it hidden inside
I have feeling that pigs might fly, might fly I should be suspended from class
I don't know my elbow from my arse
I should be suspended from class
I don't know my elbow from my arse You're such a beautiful writer
That's not all you are
I'm sorry about making a pass
It was subtle but I think that you guess
The meaning intended I should be suspended from class
I don't know my elbow from my arse
I should be suspended from class
I don't know my elbow from my arse
