Disco Fever

Douglas Adams

Me and Sue in the summer time
Playing football everywhere
Getting tired, have some wine
Having parties everywhere

We were dancing, with the people
We were dancing, disco fever

Sexy Eve in the summer time
Takes her clothes of everywhere
Looking hot and feeling fine
Take her picture everywhere

Kick your shoes off and follow me
Susan takes us to the sea
Having cocktails with a straw
The best band I ever saw

We were dancing, with the people
We were dancing, disco fever
We were dancing, with the people
