# Do You Know?

## Donnie

Do you know what you're doing?
Do you know who you're screwing?
Baby don't you play yourself and think
Your time alone will bring my loving heart to shameThere's a choice, there's a choice you have to make
You gotta eat, yeah or give up the cake
You can't have your cake and eat it too
Your mysteries giving clues and I can't be sweating you'Cause I got so much to do so I gave you to the sky above
'Cause the world keeps on spinning in spite of
And it's not an ultimatum just to see if you care
I just guarantee winnings with my loveDo you know what you're missing?
Think about, yeah, the love your dissin'
It's like trying to give somebody dab
Instead you get a slap and there won't be none of thatOh no, no, no, no
'Cause [Incomprehensible] the world keeps on
Spinning in spite of, in spite of
It's not an ultimatum just to see if you care
I just guarantee winnings with my loveSo just stay
There's winnings with my love
Just stay
Winnings with my loveOh, stay
Winnings with my love
Stay, stayOh yeah, do you know, do you know
Do you know what you're missing
Think about the love your dissin'
You can't have your cake and eat it too
Your mysteries giving clues and I can't be sweating youI can't be sweating you
I can't be sweating you
I just can't be sweating you
I just can't be sweating you
No, no, no, no, no, noSweating you, sweating you
I can't be sweating you, sweating you
I won't be sweating you, sweating you
I can't be sweating you, sweating youNo, no, no, no, no, no, no
No, no, no, no, no, no, no
I can't be sweating you, sweating you
Sweating you, sweating you
Sweating you baby, yeah, yeahSweating you, sweating you, no, no
Sweating you, sweating you, yeah, yeah

I said, sweating you, sweating you, you, you, you
Sweating youYeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
