Stealing Cars

Nadine Shah

All we need is a spark
A second chance, a lifeline
Waiting up in the dark
Holding up for a search lightNo I don't know why seasons change
Or how we fell so far
Before our hearts go up in flames
Let's go throwing stones
And stealing carsLet the heat of the sun
Reignite your memory
'Cause if we just turn and run
Let them fire the gunNo I don't know why seasons change
Or how we fell so far
Before our hearts go up in flames
Let's go throwing stones
And stealing carsSirens and smoke remind us
Maybe the world won't find us
Fall to the Earth in red light 'til it's gone
GoneNo I don't know why seasons change
How we get back to the start
Before our hearts go up in flames
Let's go throwing stones
And stealing cars
Let's go throwing stones
And stealing carsOh tonight these streets are ours to roam
Oh tonight these streets are ours to roam
