

# Just a Lil' Bit (ft. R. Kelly & The Game) (Remix)

## 50 Cent

Yeah, Sha-dy, Aftermath - G-Unit! Damn baby all I need is a lil' bit  
A lil' bit of this, a lil' bit of that  
Get it crackin in the club when you hear the shit  
Drop it like it's hot, get to whippin that back  
Girl shake that thing, yeah work that thing  
Let me see it go up, and, down  
Rotate that thang, I wanna touch that thang  
When you make it go round and round  
I step up in the club I'm like "Who you wit?"  
G-Unit in the house, yeah that's my clique  
Yeah, I'm young, but a nigga from the old school  
On the dancefloor a nigga doin old moves  
I don't give a fuck, I do what I wan' do  
I hit your ass up boy, I done warned you  
Better listen when I talk nigga, don't trip  
Yo' heat in the car, mines in this bitch  
I ain't tryin to beef, I'm tryin to get my drink on  
And my diamonds, my fitted, and my mink on  
I'mma kick it at the bar 'til it's time to go  
Then I'mma get in shorty ear and I'mma let her know  
All a nigga really need is a lil' bit  
Not a lot baby girl, just a lil' bit  
We can head to the crib in a lil' bit  
I can show you how I live in a lil' bit  
I wanna unbutton your pants just a lil' bit  
Take 'em off and pull 'em down just a lil' bit  
Get to kissin and touchin a lil' bit  
Get to lickin it, a lil' bit This is 50, comin out your ster-e-o  
It's hard to tell though cause I switched the flow  
Eyes a little low cause I twist the 'dro  
Pockets on swell cause I move the O's  
My neck, my wrist, my ears is froze  
Come get, your bitch, she on me dawg  
She must, ta heard, about the dough  
Not Captain c'mon and Save-a-Ho  
I get it crunk in the club, I'm off the chain  
#1 on the chart all the time mane  
When the kid in the house, I turn it out  
Keep the dancefloor packed that's without a doubt

But shorty shake that thang like a pro man  
She backed it up on me I'm like oh man  
I got close enough to her so I know she could hear  
System thumpin, party jumpin, I said loud and clearAll a nigga really need is a lil' bit  
Not a lot baby girl, just a lil' bit  
We can head to the crib in a lil' bit  
I can show you how I live in a lil' bit

Take 'em off and pull 'em down just a lil' bit  
Get to kissin and touchin a lil' bit  
Get to lickin it, a lil' bitBaby you got me feelin right, you heard me?
