The Camel

Fat Freddy's Drop

The sun is gonna shine again, I know.
The sun is gonna shine again, yeah, I know.
After the winter's gone, I know.
The sun is gonna shine again, yeah, I know,
I know, I know, I know, I know,
Yeah I know.
[I know]I know, the sun is shining,
Somewhere across the sea.
I know, the sun is shining.
And that's good enough for me,
That's good enough for me, yeah.
[No need to worry anymore,]
[No need to worry 'cause I know]
The sun gonna break through the winter haze.
[The winter haze]I know, yeah.
The sun is beating down,
Somewhere,
Far from here.[Vocalising]Watch as I drag my feet, down this tired old sleepy road.
Just let me rest up here, before I wind my way back home.
Oh-oh my tired old feet, wind dancing all around my bones.
Please let me rest up here,
Some shelter from the cold.The sun is gonna shine again, I know.
The sun is gonna shine again, yeah, I know.
After the winter's gone, I know.
The sun is gonna shine again, yeah, I know,
I know, I know, I know, I know, I know.
My two passed out with warning, my bills are still the same, [Still the same, yeah]
I left the heat (?),
But you can take my money, but not my peace of mind.
The more it's over, I told you (?).
