

# Harder Than You Think (Radio Edit)

## Public Enemy

What, goes, on!  
Rolling Stones of the rap game, not bragging  
Lips bigger than Jagger, not saggin'  
Spell it backwards, I'mma leave it at that  
That ain't got nothing to do with rap  
Check the facts, expose those cats  
Who pose as heroes and take advantage of blacks  
Your government's gangster, so cut the crap  
A war going on so where y'all at?  
"Fight the Power" comes great responsibility  
'F the Police' but who's stopping you from killing me?  
Disaster, fiascos over a loop by P.E  
If it's an I instead of we believing TV  
Spitting riches, bitches, and this new thing about snitches  
Watch them asses move as the masses switches  
System dissed them but barely missed her  
My sole intention to save my brothers and sisters(Hard) Get up  
Just like that  
(Hard) Get up  
Just like that  
(Hard) Get up  
Just like that  
(Hard) Get up  
Just like thatScreamin' gangsta 20 years later  
Of course endorsed while consciousness faded  
New generations believing them fables  
Gangster Boogie on two turntables  
Show no love so its easy to hate it  
Desecrated while the coroner waited  
Any given Sunday so where y'all rate it?  
Wit slavery, lynching, and them drugs infiltrated  
I'm like that doll Chucky, baby  
Keep comin' back to live love life like I'm crazy  
Keep it movin' risin' to the top  
Doug Fresh clean livin' you don't stop  
Revolution means change, don't look at me strange  
So I can't repeat what other rappers be sayin'  
You don't stand for something, you fall for anything  
Harder than you think, its a beautiful thing(Hard) Get up

Just like that  
(Hard) Get up  
Just like that  
(Hard) Get up  
Just like that  
(Hard) Get up  
Just like that So it's time to leave you a preview  
So you too can review what we do  
20 years in this business, "How You Sell Soul?"  
G-Wiz, people bear witness  
Thank you for lettin' us be ourselves  
So don't mind me if I repeat myself  
These simple lines be good for your health  
To keep them crime rhymes on the shelf  
Live love life like you just don't care  
Five thousand leaders never scared  
"Bring the Noise," it's 'the moment they feared'  
Get up! Still a beautiful idea Throw yo hands in the air  
Get up and show no fear  
Get up if y'all really care  
PE 20 years  
Now get up
