

# Loser (Explicit)

## Iggy Pop & The Stooges

Allright  
The feet in my boots  
Are shaking their roots  
For a reason  
I'm looking at you  
And you're too much to chew  
For a reason  
And the problems you got  
Are the problems you got  
For a reason  
And what you are not  
Is what you are not  
For a reason  
There's a decadent home  
Where there should be control  
I can't live anymore There's a festering truth  
Where there should be the truth  
I can't live anymore You wanna blame me  
But you got misery  
For a reason  
And the way that you lose  
Is the way that you chose  
For a reason  
And if this is a slam  
I don't give a damn  
For a reason  
Cuz the point of this song  
Is I'm moving along  
For a reason  
There's a bottomless pit  
And you've got me in it  
I can't live anymore  
You're a tower of a cruel  
And I feel a fool  
I can't take it anymore You're a loser  
You're a loser  
You're a loser  
You're a loser  
You're a loser

For a reason You're a loser The feet in my boots  
Are shaking their roots

For a reason

For a reason

For a reason

For a reason
