Just Perfect

Monarch

Come visit me,
Follow me again.
My head, I'm tired,
Figure it out again,
And around we go,
And around we go,
And around we go.Come visit me,
Follow me again.
My head, I'm tried,
Figure it out again,
And around we go,
And around we go,
And around we go.Yeah.
Yeah.
Yeah.
And around we go.
