Headbang, headbang!
Headbang, headbang!
Kon kon ko kon!Now the time has come
I no longer hesitate
I hold tightly
the discount railway tickets
To the east, to the west
to the south, to the north
today too I rush to the very front of the stage centerOn the left side, (Come on!)
on the right side, (Come on!)
standing up still, leaning back,
jumping toward the stage, (And then!)

leaning over the fence, (And then!)
rolling over the mob, (And then!)
and then all deeply headbanging. This special night of my fifteen,
I'll never forget.
All the crybabies,
get out of here! With the legendary black long hair
disordered around and gorgeously,
blooming crazy, this flower
will soon disappear fruitlessly. It'll never come back again
and it's so short period.
I etch in my heart
this special night of my fifteen. I jump lightly and dance in the air. Headbanger! Headbang, headbang... This
special night of my fifteen,
I'll never forget.
All the crybabies,
from here, dis-ap-pear! This special night of my fifteen,
I'll never forget.
All that disturb us,
right now get out of here! With the legendary black long hair
disordered around and gorgeously,
blooming crazy, this flower
will soon disappear fruitlessly. It'll never come back again
and it's so short period.
I etch in my heart
this special night of my fifteen. With the legendary black long hair
disordered around and gorgeously,
blooming crazy, this flower
will soon disappear fruitlessly. I can never come back again to it
and it's so short period.
I etch in my memory
this special night of my fifteen. I jump lightly and dance in the air. Headbang, headbang!
Headbang, headbang!
Headbang, headbang!
Kon kon ko kon! Headbanger! Headbang, headbang...
