

Avalon

Duo Gadjo and Their Hot Friends

I've found my love in Avalon
beside the bay.
But I left my love in Avalon
and sailed away.
How I dream of him in Avalon
from dusk 'til dawn.
And so I think I'll travel on
to Avalon. I've found my love in Avalon
beside the bay.
But I left my love in Avalon
and sailed away.
I, I, I dream of him in Avalon
from dusk until dawn. And,
So I think I'll travel on
to Avalon.
