Noetic Noiromantics

Shabazz Palaces

There goes the Rain Man and comes in a new light
The strange is strongest Ive had the pleasure
I get my head up and follow blindly
I love you so much, yeah, Im just like you
I never thought that I would find else somebody
Who never thought that there was fine someone as me
I thought that maybe I felt all there is to be
Yet, theres a notion growing throughout me newly and it's that we
She touched and agreed
When she touch and agreed
Touch and agree
Touch and agree
Touch and agree
Touch and agree
Touch and agree
Touch and agree
Touch and agree
Touch and agree
(A lalalalala, lalalalala)
