

# Missed U 2 (feat. Petros)

## The Cataracs

I got a feel like I do cuz I missed you  
I can feel like u do cuz you missed me 2  
I got a feel like I do cuz I missed you  
I, I, I...I got a feel like cuz I missed you  
I can feel that you missed me 2  
I got a feel like cuz I missed you  
I can feel that you missed me 2I got a feel  
I got a feelI got a feel like I do cuz I missed you  
I can feel like u do cuz you missed me 2  
I got a feel like I do cuz I missed you  
I, I, I...  
I can feel like we talk when our hands do  
But I feel like I do cuz I missed u  
I can feel like we talk when our hands do  
But I feel like I do cuz I missed uI got a feel like cuz I missed you  
I can feel that you missed me 2  
I got a feel like cuz I missed you  
I can feel that you missed me 2I feel like I'll never touch  
With this love and all of your love  
You sleep and I stay up  
I'd cry but I'm too out of touch  
With this love and all of your love  
You sleep and I stay up  
I'd cry but I'm too out of touchI got a feel  
I got a feel  
I can feel like we talk when our hands do  
But I feel like I do cuz I missed u  
I can feel like we talk when our hands do  
But I feel like I do cuz I missed u  
I can feel like we talk when our hands do  
But I feel like I do cuz I missed u
