## Dirtbag

[Dirtbag - talking]

Um.. Cool & Dre and that Dirtbag  
Oh we come over, we can hurt ya[Hook] -2X  
I gives a fuck what a nigga say  
I gives a fuck what a nigga gonna do  
I gives a fuck where a nigga stay  
Cause I'm gonna blow his head away

[Verse 1 - Dirtbag]

I put that iron on your back like Vinny from "Good Times"  
And I get high like American Airlines  
Yep, I'm a Yank but my car be foreign  
Got more nuts than the all male zone  
But it's warm, you can duck but you can't ignore 'em  
Horendous, right with Michael Vick's now with Jerome Bettis  
Don't let us, jump into some gangsta shit  
I may fuck up my money but I don't fuck up my hit  
Just one spit and your life gonna lift  
Eat the bullets thats in you as I continue my spliff  
Has it been bell paided, where the gators be  
I hope you like to see me read cause it's the last thing you gonna see  
I wasn't born, I was sworn from the block  
They found me underneath a rock, holdin on my crotch  
I wasn't born, I was sworn from the block  
They found me underneath a rock, holdin on my crotch nigga

[Hook] - 2X[Verse 2 - Dirtbag]

I've been rejected by jobs, I've rejected by hoes  
I let all my dogs know when niggas 36 hoes  
Kept my friend on the flow, and my mind on my dough  
Get a tick, I bet they won't reject the nigga no more  
I'm the man that make it work like a bullet in your teflon  
Dirtbag I'm the heart to this ?Votron?  
I move work through the pen and the county  
All the boys called me laundry, I gots that bounty  
Used to be flock, now it's El Bordo  
Used to dress bummy, now it's all Polo  
Murder off your tenants on the bath to a linen  
Got a bitch like Andy Fisher, nigga don't make me send her  
To your crib, saw us where you live  
Shots in your your rib, "I don't think he gonna live"

Uh, if you was real, ya, you know the deal

In the minute of surprise that how niggas gettin killed, AH[Hook] - 2X(\*long pause\*)[Hook] - repeated until fade
