The Illusionist

Beyond Conception

As an outcast I faced defeat
Seeking comfort in this painful retreat
Made an oracle against my will
Word spread of miraculous skillsPremonitions call my name
I once doubted them all when they came
Now I embrace it and I'll never be the sameTransfixed in the desert sands
Take a look at my once empty hand
See the rose that appears so real
Just like the one you saw in your dreamsThose who call me Avatar
Knows not what they're looking for
They just feed the flames with miraclesJust so you know if you bathe within my light
You diminish your own might
The illusionist in everyoneAs an outcast I faced defeat
Seeking comfort in this painful retreat
Made an oracle against my will
Word spread of miraculous skillsPremonitions call my name
I once doubted them all when they came
Now I embrace it and I'll never be the sameThose who call me Avatar
Knows not what they're looking for
They just feed the flames with miraclesJust so you know if you bathe within my light
You diminish your own might
Illusionist in everyoneWhat I say and what I do was once potential
Sprung from the infinite place that dictates the seenThose who call me Avatar
Knows not what they're looking for
They just feed the flames with miraclesJust so you know if you bathe within my light
You diminish your own might
Illusionist in everyoneThose who call me Avatar
Knows not what they're looking for
They just feed the flames with miraclesJust so you know if you bathe within my light
You diminish your own might
Illusionist in everyone, in everyone
