

# Faithful God

## Laura Story

May the grace that sought my heart on that first day  
Be the grace that binds my heart to stay  
May the truth that opened up my eyes on that first time  
Be the thoughts on my mind that never go away For You are a lamp to my feet  
A light to my path  
You're the hand that's holding me Faithful God, every promise kept  
Every need You've met, faithful God May the love that caught my heart to set it free  
Be the love that others see in me  
And may this hope that reaches to the depths of human need  
Be the song that I sing in joy and suffering For You are the love that never leaves  
The friend that won't deceive  
You're the one sure thing Faithful God, every promise kept  
Every need You've met, faithful God  
All I am and all I'll ever be  
Is all because You love faithfully  
Faithful God How deep, how wide the love  
That pierced His side, the love  
Redemption's mine, oh love  
That will not let me go  
How deep Your love How deep, how wide the love  
That pierced His side, the love  
Redemption's mine, oh love  
That will not let me go How deep, how wide the love  
That pierced His side, the love  
Redemption's mine, oh love  
That will not let me go Faithful God, every promise kept  
Every need You've met, faithful God  
All I am and all I'll ever be  
Is all because You love faithfully  
Faithful God, faithful God
