

# Lifespan (MMOTHS Remix)

## Vaults

It's gone too far  
And you're too gone  
Could you hide a moment, from the sun?  
And how come, it's only shown?  
I'll burst the gates, we'll look back when we're done  
Oh, you took what you wanted to take  
And yet you never wanted nothing from me  
Oh, you took wanted to take  
And yet you never wanted nothing from me  
You had too much  
And it caught up  
The tide will turn for no one, in the end  
And there's no time  
In this lifespan  
To break apart the walls you used to tend  
Oh, you took what you wanted to take  
And yet you never wanted nothing from me  
Oh, you took what you wanted to take  
And yet you never wanted nothing from me  
And the eyes close  
As the light fades  
On the last shot  
Of a lifespan  
And the eyes close  
As the light fades  
On the last shot  
Of a lifespan  
Oh, you took what you wanted to take  
And yet you never wanted nothing from me  
Oh, you took what you wanted to take  
And yet you never wanted nothing from me  
And the eyes close  
As the light fades  
On the last shot  
Of a lifespan
