

# Can't Behave

Courtney Jaye

I got eyes in the back of my head  
Oh, your halo's turnin' red  
Foolin' around, knockin' me off my cloud  
They're talking about your mischievous ways  
Boy, it's painted all over your face  
Stealin' a kiss, mysterious whispers  
A thorn in my pride  
I'm still by your side  
But one day I'm walking away  
The tide is gonna turn, I'm gonna find my place  
Give me a reason to stay  
I wanna be your lover, baby, but you can't behave  
Remember the days and the Hollywood nights  
And what happened to paradise  
Stolen away and I can't replace it now  
'Cause rumors are flying that I can't avoid  
Are they true or am I paranoid  
Livin' like this, it's drivin' me crazy  
So make up your mind  
You're runnin' out of time  
'Cause one day I'm walking away  
The tide is gonna turn, I'm gonna find my place  
Give me a reason to stay  
I wanna be your lover, baby, but you can't behave  
Ease all of my worries  
And please don't make me play the fool  
Baby, won't you hurry  
You don't know what you're gonna lose  
'Cause one day I'm walking away  
The tide is gonna turn, I'm gonna find my place  
Give me a reason to stay  
I wanna be your lover, baby, but you can't behave  
One day I'm walking away  
The tide is gonna turn, I'm gonna find my place  
Give me a reason to stay  
I wanna be your lover, baby, but you can't behave  
Oh baby, but you can't behave  
Oh baby, but you can't behave
