

My Life Is Over and I Couldn't Be Happier

PUP

I don't even know
Why you're so pissed,
You said I'm such a piece of shit
That wasn't subtle at all(Can't figure this part out)If I came home right now,
What would I find out?I'm at the end of my tether,
You're under my skin and I'm letting it fester
Yeah, I've had enough
(Can't figure this part out)I bet you faked it all along
And I bet you never missed me at all
Still waiting, not moving onIf I came home right now,
What would I find out?You won't believe me
You won't believe me
You won't believe meYou won't believe me
You won't believe me
You won't believe me
