

A Guy Named Sid, Pt. 3: You Don't Know

Spock's Beard

Every story has two sides
But no one ever wants to hear mine
No no one ever wants to hear mine Sometimes it's like I don't exist
I'm number one on everyone's most hated list
Tearing me down is something no one can resist You don't know
What it's like to sink so far below
The truth is there
I just need someone to show me where
I need someone to lead me there There was time when I knew love
But I can't remember when it was
No I can't remember when it was
I couldn't have been born this way
It's been building up day after day
A little bit of pain can go a long way
