

# Still Unbroken

W.E.T.

Lost and down  
We've all been there before  
Spinning round Spiraling down to the floor But I will rise from  
This bed of flames Standing my ground  
Never back down  
Still unbroken  
Never look back  
Spreading my wings to fly away  
Standing my ground  
Never back down  
Still unbroken  
Still unbroken  
Peace I've found  
There was no other way  
The time is now  
Get ready for your judgement day I have risen  
Once again Standing my ground  
Never back down  
Still unbroken  
Never look back  
Spreading my wings to fly away  
Standing my ground  
Never back down  
Still unbroken  
Still unbroken I have risen  
Once again  
Standing my ground  
Never back down  
Still unbroken  
Never look back  
Spreading my wings to fly away  
Standing my ground  
Never back down  
Still unbroken  
Still unbroken
