Awakening

Yellowcard

Bottoms up tonight, I drink to you and I
'cause with the morning comes the rest of my life
and with this empty glass, I will break the past
'cause with the morning I can open my eyes
I want this to be my awakening
I give this one to you, an anthem full of truth
I tell you now an epic tail of what you put me through
And even though you don't deserve one of your own
A melody, a song about, the life that you let go
I can't believe that I still care enough to write
Bottoms up tonight, I drink to you and I
'cause with the morning comes the rest of my life
And with this empty glass, I will break the past
'cause with the morning I can open my eyes
I want this to be my awakening
Yes I miss you still And probably always will
I'm living with a busted heart that I will have until
I find the streangth I know its somewhere in my bones
So pull the curtain up again and get on with this show

At least you know that I care enough to write
Bottoms up tonight, I drink to you and I
'cause with the morning comes the rest of my life
And with this empty glass, I will break the past
'cause with the morning I can open my eyes
And maybe I will see, a different destiny
Like maybe knowing you at all was only a bad dream
I want this to be my awakening
No rest for the wicked they say
Forgive me if I try to change
No rest for the wicked they say
Forgive me if I try to change
Bottoms up tonight, I drink to you and I
'cause with the morning comes the rest of my life
And with this empty glass, I will break the past
'cause with the morning I can open my eyes
And maybe I will see, a different destiny
Like maybe knowing you at all was only a bad dream
I want this to be my awakening
