A Beautiful Day

Balligomingo

Still it's you you're in the dream
I can see where we are and it's raining
Steal away and now we're running in the rain
I can see it we are
and your lips smile
Our eyes are the ones talking now
Beating hearts say that we mean it
I know it's the dream I had about you

Now that we're standing here in this moment
I am so beautiful
Now that holding still in this moment
We are kissed by the summer breeze

It's not hard to imagine as the rain comes down,
a beautiful day
It's you I imagine in the dream I had
So beautiful
A beautiful day

Still it's you, we're in the dream
I can see the rain falling so sweetly
Steal away and now we're running from the world
Your eyes are talking now

I am so beautiful
here in this moment
when I stare at the sun

It's not hard to imagine as the rain comes down,
a beautiful day
It's you I imagine in the dream I had,
so beautiful, staring at the sun
Beautiful day
It's a beautiful day.

It's raining.

We are off inside light
We are we are

We are we are
We are off inside light
when I'm with you.

It's not hard to imagine as the rain comes down,
a beautiful day
It's you I imagine in, the dream I had
So beautiful
A beautiful day
A beautiful day
