

# Still Angry

## Book of Love

Still angry Not around now  
I'm rid of you  
Can't be trusted  
Can't be true I'm still angry  
Still sour  
Much too little  
Or much too much Still angry  
Still angry Not a Romeo  
Not you  
You blamed me  
For what you couldn't do Why did you bother  
To tease me  
When you knew you  
Couldn't please me Still angry  
Still angry Wait for me  
Wait for me  
Wait  
Wait for me  
Wait for me  
Wait Wait for me  
Wait for me  
Wait  
Wait for me  
Wait for me  
I doubt Still angry  
Still angry I'm still angry  
Still sour  
Much too little  
Or much too much Still angry  
Still angry Still angry  
Still angry
