

# After Hours (feat. Dom Kennedy)

## Glasses Malone

'Cause OPM is the label that pays me  
And I'm not tryna have another baby  
So now I strap up even if she extra pretty  
If you ever in L.A. sometime, that's our city  
My number starts with 323 like a G  
If you ain't tryna give me no pussy then I'ma leave
